BOKIT'LA

Catering menu and services

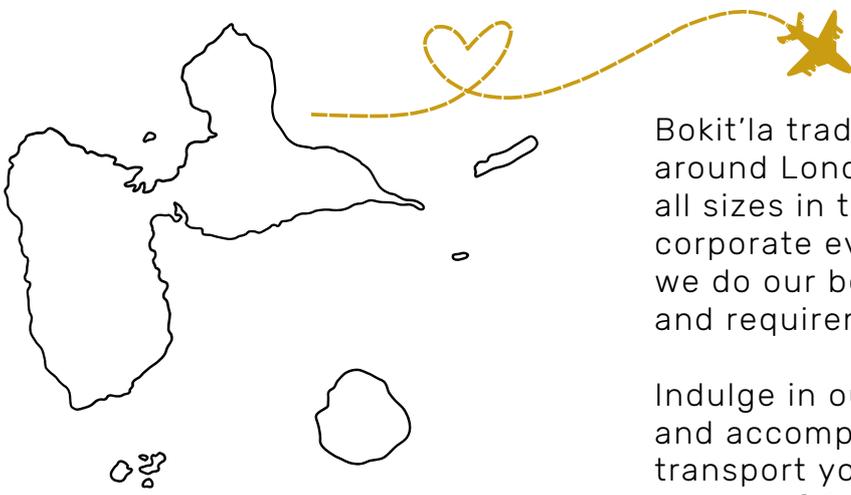

OUR CONCEPT

Bokit'la is the first French Caribbean street food vendor in London. We are a family-run business sharing a taste of Guadeloupe by preparing freshly fried dough, locally known as a Bokit.

The Bokit is our signature dish, made with love and bursting with island-inspired ingredients. Each Bokit (or Bokit Bowl) comes with our homemade and exclusive chilli sauce, available in five different levels to suit everyone's preference.

Bokit'la trades weekly at various locations around London and we cater at events of all sizes in the UK. From festivals to corporate events to private celebrations, we do our best to fit our clients' tastes and requirements.

Indulge in our delicious, authentic Bokits and accompaniments that are sure to transport your taste buds to the sunny shores of Guadeloupe. Whether you're a fan of our juicy chicken, savoury saltfish, or flavourful vegetarian options, we've got something to satisfy every craving.

WHAT THEY SAY ABOUT US

"5 stars is not enough, we were utterly blown away by the flavours, the quality and the freshness of all the amazing foods offered by Bokit'la. Thank you so much to the team for taking such good care of us and introducing us to the world of French Caribbean food. We will be coming back as much as we can."

OUR SERVICES

Whether it is for a birthday, a wedding, an office party, a corporate dinner or any kind of events, we can cater for you at your location, an external venue, and we can also recommend spaces to hire around London.

Our ambition is to appeal to everyone's tastes and dietary restrictions and preferences, which is why we have different bokit fillings as well as vegan and gluten-free options.

INDOOR

We can come to your chosen premises to prepare and serve your food fresh using the commodity available for cooking. We will bring our own kitchen equipment.

OUTDOOR

Just as our indoor live-cooking service, we can bring our food trailer or set up a gazebo to cater in an outdoor environment.

DELIVERY

We also provide a delivery service, which is particularly popular for office lunches and very convenient for canapés-style receptions.

WHAT THEY SAY ABOUT US

"This is the best street food I've ever had. I think they do catering and I will definitely be hiring them at some point soon..."

The staff is always amazing, friendly, and helpful. I go to their food stall at Hammersmith every Wednesday that I'm in the office, because nothing else compares. If you ever stumble upon this place, don't pass up the opportunity to try Bokit'la."
